This season, though we would prefer dancers audition in-person; make-up and video options will be offered/accepted. With any option, we do ask that you look neat and tidy, dressed in solid black, form-fitting dance wear that shows your entire body with hair pulled back away from your face. The audition's first round (Friday, June 3rd) is, quite simply, a Ballet class (including pointe work, where applicable). The Callback (Saturday, June 4th) is the Choreography round, consisting of a concise but challenging contemporary, jazz, or lyrical combination, and may include a short interview. Throughout the audition process, in-person dancers will wear an audition number so they are easily identifiable to teachers and choreographers who may not yet know them. Our goal is to host a stress-free audition that not only helps us get to know the dancers, but also gives the dancers a thoughtful and positive audition experience. Feel free to contact the studio if you need additional information.

We're so excited to be entering our 12th Season at SWEATshop and are looking forward to potentially welcoming you into the vibrant SWEATshop atmosphere. See you at the audition!
